2008 Philanthropy Exploration in Washington County â€“ Executive Summary (PDF)

One of the major findings of this study was the limited capacity of Washington County nonprofits in the area of fund development.Â To address this finding the studyâ€™s Advisory Committee started the Washington County Nonprofit Network (WCNN) to provide opportunities for local nonprofits to network, collaborate, develop skills and build capacity. For more information on the WCNN, please contact Felicita Montebianco, 503.846.5792.
