

Creciendo Juntos

Creciendo Juntos

Â

Â Â

Creciendo Juntos is a collaborative convened and facilitated by Vision Action Network. Creciendo Juntos partners have joined forces to collectively address acute childhood poverty in the Latino community of Western Washington County.

According to the 2015 American Community Survey, one in three Hispanic children under 18 lives in poverty compared to one in eighteen for their white counterparts.

The vision of Creciendo Juntos is a thriving Western Washington county where Latino children and their families are healthy, successful in school and life, and engaged in their community.

Collaborative Partners:

Adelante Mujeres

Bienestar
